

To Whom it may Concern,

The National Inclusion Project seeks to create communities where ALL children can learn live and play together. Volunteers of the National Inclusion Project in your area have begun organizing a local event that will raise awareness and funds in an effort to support our mission. We are aware of their efforts and fully support the local events that will occur.

Contributions raised will help fund projects of the National Inclusion Project including its “Let’s ALL Play” initiative that will bring programs of inclusion to recreational programs nationwide. This summer, camps for children of all abilities are being supported by the Project in over 30 locations all over the country.

The National Inclusion Project has worked with hundreds of programs, trained numerous staff members and leaders, and provided inclusive opportunities for over 20,000 children. This far-reaching impact would not have been possible without the dedicated support of countless volunteers and supporters like you. With their help in raising awareness and funds through projects like Wrapping for Inclusion and Change for Change as well as local fundraising efforts like cookbooks, gatherings, and online donation drives, the National Inclusion Project has dedicated the vast majority of every dollar into making an impact with our programs.

More information on the Project and its programs can be found at www.inclusionproject.org. Thank you very much for your time and consideration.

Sincerely,

Aron Hall
Director Services
