## Wrapping for Inclusion

**Be a part of our team by volunteering or by stopping by one of our Wrapping for Inclusion Sites!**

Check out our [2016 locations!](#)

**What:** A nationwide awareness and fundraising campaign for the National Inclusion Project.

**When:** The Holiday Season

**Why:** To help raise awareness and support for the National Inclusion Project, spread holiday cheer, and have fun!

**How:** If you would like more information, please [contact us](#).

## Volunteer Needs

**Area Coordinators:** Contact local shopping malls and merchants to arrange dates and times for wrapping gifts. Schedule volunteers wrappers. Coordinate supplies, set up, and supervision of wrapping station(s).

**Wrappers:** Wrap presents in your community and create awareness about inclusion.

## WFI Frequently Asked Questions

### ***What should I wear while I am volunteering?***

Please remember that you are representing the National Inclusion Project and dress appropriately.

### ***What will we need to set up the wrapping booth?***

Area Coordinators are responsible for making sure the wrapping station is sufficiently supplied. Many merchants we have worked with have provided supplies, but there are a variety of things you will need to be fully prepared. See the Manual for a Supply list. Several merchants give out Gift cards each month that can be redeemed for supplies. Wal-Mart, Sam's Club, K-Mart are a few that donate each Christmas season. The National Inclusion Project will provide gift tags, take-away cards, and banners for each Area Coordinator.

### ***How do I handle the donations?***

We accept donations only. Individuals can donate any amount. Please thank them for their donations.

Please send donations to:

PO Box 110104

Research Triangle Park, NC 27709

All donations for WFI should arrive by December 31.

### ***How do I create Awareness?***

This is the most important part of WFI. As a National Inclusion Project volunteer, please use this opportunity to share what you know about inclusion. You can find more information [here](#).
